One life. What's it all about?

ne life.  
What's it all about?

Christianity Explored is an informal and relaxed six week course. It's for anyone who wants to think about the meaning of life. It's run by ordinary Christian people local to you and is completely free. You don't need to know anything about the Bible, and you won't be asked to pray or sing. You can ask any question you like, or you can just sit and listen.

Whoever you are, whatever you're thinking, Christianity Explored is a place for you to explore what life's all about. It might just be the best news you've ever heard.
